Pawz is the world's only disposable and reusable, waterproof dog boot. Made of natural rubber, Pawz are 100% biodegradable. Pawz are designed to go on easily and fit securely without zippers or straps. Fashionable yet durable, Pawz offers serious paw protection. Pawz is the most natural-feeling boot your dog can wear because without padding your dog feels the ground, providing a needed sense of security. Like a sock, Pawz moves with your dog, allowing full paw motion and maximum comfort. And imagine never losing another expensive dog boot again! Pawz come 12 in a package and each boot may be worn many times.

PAWZ DOG BOOTS SIZE CHART

HOW TO MEASURE YOUR DOG'S PAW

For the best fit, measure from the bottom of the big heel pad to the tip of the longest toe nail. If the paw is in-between two sizes, select the larger size.

Pawz Dog Boots should fit securely around the leg and comfortable around the paw.
