

Grip Trex™

all-terrain paw wear

★★★★☆ 4 (based on 268 reviews) | [Write a Review](#)

(Set of 4 dog boots)

Grip Trex dog boots set the standard in paw wear for dogs who hike, bike, run, or explore the great outdoors with their humans. These high-performance boots feature a rugged and resilient outsole lug pattern that provides exceptional traction on varied terrain.

Polar Trex™

winter traction and insulation

★★★★☆ 3 (based on 119 reviews) | [Write a Review](#)

(Set of 4 dog boots)

Engineered for winter weather, these boots are designed to provide warmth and traction on snow and ice.

Summit Trex™

everyday paw protection

★★★★☆ 4 (based on 69 reviews) | [Write a Review](#)

(Set of 4 dog boots)

Summit Trex dog boots provide everyday traction and paw protection from extreme temperatures, abrasive surfaces, and salt or other snowmelt chemicals. The Ruffwear-designed outsole provides flexible traction while an integrated stretch gaiter protects legs and locks out dirt and debris.
