

WEBMASTER HARNESS

The Ruffwear Web Master Harness is a supportive, multi-use harness for dogs built for maneuvering and assisting dogs up and over obstacles. The Web Master is the preferred dog harness used by many avalanche rescue dog teams in the United States. This harness makes a great collar alternative and is ideal for hiking, scrambling, and mobility assistance.

K9 FLOAT COAT

The Ruffwear K-9 Float Coat is the ultimate in canine flotation and water safety. For dogs that love to join their humans rafting, kayaking, boating, surfing and paddle boarding, this life jacket is designed for dogs of all shapes and sizes. This is a premium, fully-featured life jacket that includes thoughtful details like a strong handle, optimally positioned to lift dogs out of the water, and reflective trim for enhanced visibility in or out of the water.

FRONT RANGE HARNESS

The Ruffwear Front Range Harness is an everyday harness that is easy to fit and put on, and comfortable for dogs to wear. The harness features two leash attachment points: an aluminum V-ring centered on the dog's back for everyday walks, and reinforced webbing at the dog's chest for training or additional control. ID pocket keeps dog tags quiet and easily accessible.
